

# Up and away: Internationalization for Flemish HealthTech Start-ups and Scale-ups

## Edition 2025

### Summary:

Up and Away is a free course for healthtech companies sponsored by the provinces of East Flanders, Antwerp and Flemish Brabant. Organized by MEDVIA, each of the eight in-person sessions is focused on a key aspect of launching healthtech companies on the international market.

The course is targeted to start-ups, spin-offs and young companies based in Flanders. Companies can be at the start of their international market plans or have already broken into a market but want to expand their reach.

*Program date 05 November 2024 (program is subject to change)*
